## **NOTICE TO RESIDENTS**

We have been notified that the construction company doing work at 1 Syms Way that they will be using a helicopter to put air conditioning units on the roof. This job is scheduled for today, Friday, June 19<sup>th</sup>. We are advising residents in the vicinity of the work site that the helicopter will be in the area. The contractor has assured us that they will work as quickly as possible to minimize the inconvenience to the neighborhood.

Thank you for your cooperation.

Mayor Michael Gonnelli and the Town Council
